

IFBM Staff Member Oath of Commitment

As a Bio-Touch staff member, I acknowledge that I am a global representative for the unique gift of Bio-Touch and will exemplify the golden rule of "Love thy Neighbor."

I pledge to contribute my talents and resources to the continuing efforts of IFBM's Mission in the world and Vision for the world. I further pledge to dedicate myself to the growth of self awareness while honoring the same for others. I am aware that my service as a staff member carries certain responsibilities expected of me.

By signing this oath I understand that:

1. I will honor all recipients and staff members with respect and encouragement.
2. I will not discuss any other philosophies, belief systems or healing techniques in the presence of a recipient.
3. I will not diagnose, advise or prescribe during a session.
4. If conflict arises, I will address that person with compassion and understanding.
5. If I feel threatened or unsafe at any time I can end a session.
6. I will be open to corrections from other staff members if I do not touch points as described in the Bio-Touch manual.
7. As a staff member I will maintain my membership with IFBM.
8. I will attend all staff meetings unless prior arrangements have been made with a co-director.
9. I will attend one day of a Certified Practitioner training once a year.
10. I will open and close the center using the procedures which have been outlined for staff members.
11. I will arrive at the center 15 minutes before the beginning of my shift and stay for the duration of my commitment.
12. If for any reason I am unable to work my shift, I am responsible for finding a replacement, giving ample notice or contacting recipients on my schedule to cancel.
13. Once a year I will be required to have a point and wording check with a co-director.
14. I give IFBM permission to use any respectful photos of me at Foundation events in the marketing of Bio-Touch to the public.
